

The SoulShine Network (SSN) Membership Agreement

Welcome to The SoulShine Network!

In a world where it can be all too easy to feel lonely or disconnected, we're creating more opportunities for in-person connection, creativity, laughter, adventure, and belonging.

The mission of The SoulShine Network is simple:

Chase away the darkness by adding more light.

We do so by cultivating more M.A.G.I.C. – music, arts, giving, imagination, collaboration – in everyday life.

We hope to inspire you to follow your dreams, let your passions lead to purpose, and share the gifts that make you uniquely you with the world.

Whether you're seeking one-on-one guidance, collaborative support, or opportunities to connect with like-minded people, The SoulShine Network is here to help you grow, thrive, and bring your visions to life.

Some of our events are designed for growth, while others are simply about good, clean fun.

Our gatherings may take place at friends' properties, private or public spaces, and starting in 2028, at our very own Playland.

That's right, we won't just have a clubhouse; we'll have an entire play land...

We invite you to come as you are.

By becoming a member and participating in SSN activities,

I agree to the following:

1. Our Community Values

I will treat others with kindness, respect, and consideration.

I will be mindful of how my actions or inactions affect others.

I will choose love.

The SSN welcomes people from all backgrounds and different generations.

We believe we are all one race – human.

Harassment, discrimination, threatening behavior, and actions that make others feel unsafe or unwelcome will not be tolerated.

Come as you are. Treat others with care. Leave things better than you found them.

2. Respect for People and Property

I will respect the people, homes, businesses, land, and facilities that make SSN gatherings possible.

I will follow the host's instructions, posted rules, and event-specific guidelines.

I understand that different events and locations may have additional rules, participation requirements, or safety instructions.

3. Smoke-Free and Alcohol-Free Gatherings

SSN gatherings are smoke-free and alcohol-free to create a comfortable, inclusive environment where people of all ages, including young children, older adults, and people with respiratory sensitivities, can enjoy music, activities, and connection together in a shared smoke & vape free environment.

Alcohol consumption is not permitted during SSN gatherings unless expressly authorized by SSN.

Some partner locations may offer alcohol samples for take-home purchases; any such offerings must follow the host's rules and SSN's event-specific instructions.

Anyone who wishes to smoke must leave the partner property to do so, with the host's permission and in accordance with the property's rules.

At Playland, smoking will be limited to designated smoking teepees at the edge of the property, away from music, activities, and shared gathering spaces.

4.a. Tech-Free: A Break from Phones, Photography, and Recording

To help everyone be present and enjoy genuine, face-to-face connection, SSN events are designed to be tech-free, aside from technology used by SSN or event organizers to facilitate the event.

Personal phones, tablets, computers, cameras, and other recording devices must be put away during events.

If you absolutely need to use a device, please step a foot inside the designated Cellphone Square, located at the outskirts of the event area, before using it. Photography, video recording, audio recording, and livestreaming by attendees are not permitted unless expressly authorized by SSN.

At Playland: Personal phones and recording devices must remain secured in participants' personal vehicles or be placed in designated locking bags upon arrival. Additional event-specific instructions may apply.

A friendly warning: Anyone who chooses to use a cellphone or recording device during an event should be prepared for a wild monkey to whack it right out of their hand at any moment!

We're here to experience the magic, not watch it through a screen.

Capturing the magic: All music performances at Playland will be recorded by the venue's internal team and made available to all attendees at no additional cost.

4.b. Photo, Video & Recording Release

I understand that the SoulShine Network (SSN) and its authorized teams may photograph, film, or record SSN events, including performances and activities.

I grant SSN permission to use and share recordings in which I appear or am heard for SSN-related purposes, including its website, social media, promotional materials, and event archives, without compensation.

I understand that Playland music performances will be recorded by the venue's internal team and made available to attendees at no additional cost.

I understand that personal photography, video recording, audio recording, and livestreaming are prohibited at SSN events unless authorized by SSN.

5. Family and Guest Participation

We encourage you to share the SoulShine experience with your parents and kids! Your individual membership includes access to eligible SSN events for you, your parents, and your children.

Spouses and other family members are welcome to join, too, but will need their own membership.

You may grant designated guest privileges to your parents and children by listing their names in the optional section below.

By doing so, you vouch for the people you bring into our community.

And yes, even your parents!

Members are responsible for the safety, supervision, and conduct of children and other family members they bring who need assistance or supervision, unless an event specifically provides otherwise.

Guest privileges are subject to event capacity, registration requirements, age or activity restrictions, and event-specific rules.

Guest privileges may be revoked if the member or any of their designated guests fails to follow SSN guidelines.

6. Membership & Lifetime Rate

Each member's membership rate is established at the time their membership begins and is locked in for life of the membership.

Memberships may be gifted at no cost or offered at different rates depending on the membership level and services selected.

Basic memberships may range from \$20–\$30 per month and up, while memberships that include personal or business coaching packages may be offered at \$99 or \$999 per month, or at other rates established by the SSN.

Your established membership rate will not increase for the lifetime of your membership.

Memberships are individual and non-transferable.

Membership benefits, privileges, and access are subject to the terms of this agreement. Failure to follow these community guidelines may result in suspension or revocation of membership privileges.

7. Event Registration, Cancellations, and Changes

- **Registration and Attendance:** Some SSN events require advance registration, reservations, or confirmation of attendance.

Members agree to follow the registration instructions and notify SSN as soon as reasonably possible if they can no longer attend a registered event.

- **Limited Availability:** Certain events, activities, or experiences may have limited spaces, age requirements, skill requirements, safety restrictions, or other participation guidelines. Registration does not guarantee participation in every activity.
- **Event Fees:** Membership may include access to certain events, while others may require an additional fee to cover supplies, food, entertainment, venue costs, or other expenses. Any additional fees and applicable payment requirements will be communicated in advance. Members are responsible for any fees they agree to pay when registering.
- **Cancellations and No-Shows:** If a member registers for an event and cannot attend, they should cancel as early as possible so their space may be offered to someone else. Repeated no-shows or last-minute cancellations for events with limited capacity may affect future registration privileges. Any fees, refunds, or credits will be handled according to the event's stated cancellation policy.
- **Event Changes:** SSN reserves the right to cancel, postpone, reschedule, relocate, or modify an event when necessary, including due to weather, safety concerns, venue availability, or other circumstances beyond SSN's control. SSN will make reasonable efforts to notify registered participants of significant changes. Refunds or credits for events with additional fees will be handled according to the event's stated policy.
- **Event-Specific Guidelines:** Members agree to review and follow any additional instructions, requirements, or policies provided for a particular event or activity.

8. Safety and Personal Responsibility

I will use good judgment, follow safety instructions, and respect my own limits and those of others.

I understand that participation in social gatherings and activities may involve inherent risks, and I accept responsibility for my own choices and conduct.

I will promptly inform the event host or SSN organizer of unsafe conditions, injuries, or serious concerns.

I understand that SSN may ask anyone who violates these guidelines or creates a safety concern to leave an event or may suspend or end their membership.

9. Playland

When Playland is established, additional property-specific rules will apply.

These may cover access, supervision, animals, camping, swimming, tools and equipment, outdoor activities, fire safety, designated areas, and other matters.

Members agree to review and follow any Playland Rules Addendum and activity-specific waivers or requirements that apply to their participation.

10. Agreement

I have read and agree to follow this Membership Agreement and any applicable event or property rules.

I understand that membership or guest privileges may be restricted or revoked for serious or repeated violations.

Member Full Name: _____

Signature: _____

Date: _____

By signing, I also authorize the use of photos, videos, and recordings of myself and any minor children listed on my SSN Membership Agreement for the purposes described above.

Membership Rate: _____

Optional Family Guest Privileges

List the full names of the parents and/or children you would like to have automatic guest privileges at eligible SSN events under your membership.

Please print legibly!

Parents

1. _____

2. _____

Children

1. _____
2. _____
3. _____
